

Campus Clan and Kin Endowment

In October of 1994, the Campus Clan and Kin Endowment was established with money generated by a project called Denim Days. Since then, many of us—Campus Clan—participate each week in Denim Days, and the dollars generated are placed in the endowment and awarded to our family members—Campus Kin—planning to attend LRSC full-time. In addition, many employees have pledged support for the endowment through automatic monthly payroll deductions or special gifts.

If an LRSC employee has children, stepchildren, grandchildren, or a spouse planning to attend Lake Region State College, we encourage them to have their Kin complete an application for a Campus Clan and Kin scholarship.

Guidelines for Campus Clan and Kin scholarship awards:

★ Campus Clan are all current, full-time employees and permanent part-time employees. This includes full- and part-time employees assigned to LRSC by other agencies to carry out essential campus functions, such as Job Service North Dakota or College Care for Kids.

★ Campus Kin are all children, stepchildren, grandchildren, and legal spouses of Campus Clan members.

★ All Campus Kin will be eligible to apply for scholarship awards regardless of the contribution status of their Campus Clan member.

★ The application process will include preparation of an essay which responds to two or more questions such as “Why do you want to attend Lake Region State College?” or “What is your educational plan?”

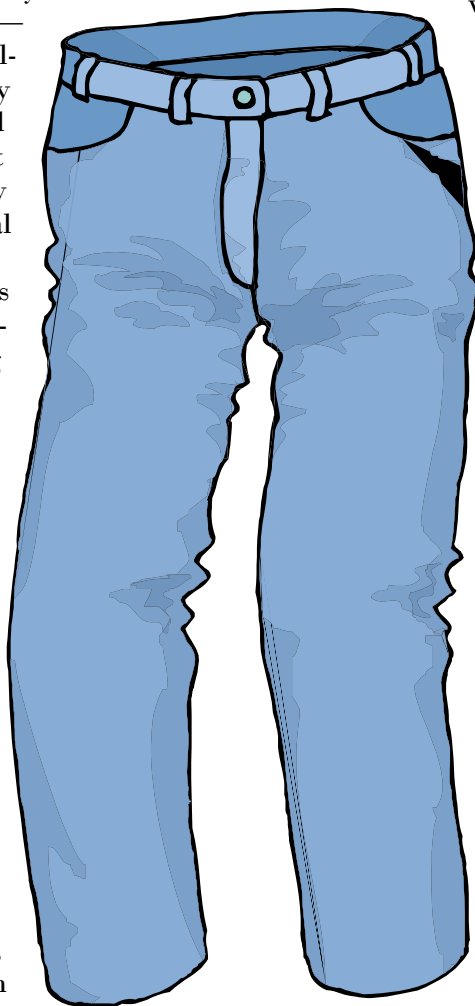

★ Awards will be given to qualified Campus Kin whose applications show evidence of initiative and goal-setting/life-planning skills.

★ Awards will be made only to students who complete the application, enroll as full-time students, and remain in good academic standing. As with all scholarships, half of the award amount is given during each semester.

How do we continue to support the Campus Clan and Kin Endowment?

★ Denim Day is held every Friday, with exception of Fridays when special events are scheduled on campus. Alternate days (usually Thursdays) are sometimes scheduled at those times.

★ Employees donate \$1 each Friday in the President's Office if wearing jeans.

If you visit LRSC on a Friday and notice an employee wearing jeans, you'll know they are supporting Kin attending college at LRSC. ★
