

# **Woodland Resort Scholarship Endowment**

**K**yle and Karin Blanchfield have been supporting Lake Region State College and the Lake Region Community for many years. When they had the opportunity to start an endowment at LRSC, it was another way to continue that support and to help promote student success. Established in 1989 on the shores of Devils Lake, Woodland Resort is a popular tourist destination for local, state, and national travelers and sportsmen. This endowment provides scholarships for exemplary students at LRSC.
