Welcome to the Peace Officer Training Program! Enclosed is information on uniform requirements, needed school supplies and books, and additional information you will need in order to prepare for the academy.

- Tan slacks (slacks with cargo pockets are acceptable; no jeans), a black leather belt, black polish-able shoes or boots, and black socks. The college will provide uniform shirts for wear in the classroom and for physical fitness training. You will need navy blue sweatpants and/or navy blue shorts, and tennis shoes for physical fitness training. Sweatpants may have only a logo or name brand (i.e. Nike) and/or a stripe.
- Writing Pads and or Notebooks (notebook paper when removed from the notebook must have smooth edges on all sides). Pens AND Pencils (no red pens please). One or two 1" to 2" three ring binders to file handouts provided by instructors.
- DO NOT bring any firearms, ammunition, or other weapons to the college or training center. All equipment you will need for training will be provided to you. NO personal firearms/weapons will be allowed at the training center at any time. Agency sponsored students will be instructed as to when they should bring their issued sidearm to the training center.
- Spring and Fall students are allowed to move into the dorms on the Sunday immediately before classes begin. Students will attend New Student Orientation on Monday morning at 9:00 and will meet for registration and orientation in the Peace Officer Classroom at 1:00 pm. Formal classes will start at 6:30 am on Tuesday in the gymnasium for physical fitness. The first week of the summer academy in Grand Forks will begin on Monday at 8:00 am at the Public Safety Center (1220 S. 52nd Street). The first week of the summer academy in Fargo will begin on Tuesday at 8:00 am at the Fargo Regional Training Center (2802 N. University Dr.).
- Fargo and Grand Forks (summer students) must be able to train in Devils Lake for one week. Transportation will be provided by the college if the student is unwilling or unable to get to Devils Lake on their own. The college will provide lodging in the college dormitories and provide three meals per day at no cost to the student.
- Two Fingerprint Cards will be provided to you (either in advance of the academy or on the first day of class). You must return the completed cards in a timely fashion so the background investigation can be concluded. (Make certain that all required information is printed legibly on the cards and that the cards are signed by the official taking the prints). Sponsored students are not exempt from the fingerprint background as this is required by law.
- Summer Students: your books will be provided to you on the first day of class. You will need to bring a check or Money Order (payable to Lake Region State College) for your books. The books will cost approximately \$250.00, however if you must take the Intro to CJ class during the academy, your books will cost approximately \$340.00. The exact amount will not be known until the first day of class. If you have financial aid in progress and approved, you may charge your books against your financial aid. Spring and Fall Students: you will have an opportunity to go to the book store during/after orientation to purchase your books (you will also be allowed to charge them against your financial aid if it has been approved).
