STATE COLLEGE

Devils Lake, North Dakota

PRESIDENT

The North Dakota University System invites nominations and applications for President of Lake Region State College (LRSC).

The presidency of Lake Region State College is an opportunity to lead a progressive two-year college with a strong track record for creating cutting-edge career and technical education programs and maintaining excellence in liberal arts transfer programs. The president reports to the chancellor, along with the presidents of the other 10 colleges and universities, as a member of the university system cabinet.

The college enrolls more than 1,500 students and is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools.

The chancellor and State Board of Higher Education seek a strong leader, a strategic thinker, and a person of vision who believes passionately in career and technical education, liberal arts transfer programs, and workforce training. The successful candidate will possess a master's degree, and preferably an earned doctorate, from a regionally accredited institution of higher education. For a complete profile and qualifications for the position, refer to the following web site:

www.lrsc.nodak.edu/president

To be considered for the position, candidates should e-mail, as MS Word attachments or PDF, a cover letter that specifically addresses the opportunities/challenges and qualifications as listed in the profile, a current résumé, and names, phone numbers, and e-mail addresses of three references to lrsc.president@lrsc.nodak.edu. Screening will begin December 1, 2007. The position is available July 1, 2008 or earlier as arranged between the State Board of Higher Education and the finalist.

Upon becoming a candidate, North Dakota open records and open meeting laws apply.
