What the Total Composite Financial Indicator Score (CFI) Means to You

The chart below identifies three zones in which the CFI scores shown above will fall: Above, In, and Below. Each zone specifies a range of CFI scores, with different ranges for private and public institutions. Following the close of the Institutional Update, the Commission will review all the financial data reported and will identify any institutions that have CFI scores in the **Below** zone for a **single** year or the **In** zone for **two consecutive** years. The Commission will notify those institutions about possible follow-up needed on their financial condition, including review by the Commission's Financial Panel Review process.

Zones	Private Institutions (-1 to 3) Composite Index	Public Institutions (-4 to 10) Composite Index	Outcomes
Above	1.5 to 3.0	1.1 to 10	No Review
