PRIVACY OF RECORDS (FERPA)

The disclosure of student educational records is governed by policies developed by Lake Region State College in compliance with state law and the Family Educational Rights and Privacy Act of 1974 as amended (FERPA). Lake Region State College maintains the following education records that contain information directly related to students:

- Applications material submitted by the student or sent at the student's request
- Financial Aid material submitted by the student or sent at the student's request
- Account payment cards and receipts
- Records pertaining to academic or training achievement including transcripts and grade reports
- Instructor recommendations

SBHE Policies 311 and 503.2 require each institution to adopt a policy as required by the Family Educational Rights and Privacy Act (FERPA). Such policies must include a definition of "directory information." All directory information may be released publicly in printed, electronic, or other forms at the discretion of the college or university to the extent that it is maintained by the institution. Directory information includes the following data elements:

1. Student legal name (not to include preferred name)
2. Hometown (city, state)
3. Campus e-mail address
4. Major field of study (all declared majors)
5. Minor field of study (all declared minors)

6. Class level
7. Dates of attendance
8. Enrollment status (withdrawn, half-time, full-time)
9. Names of previous institutions attended
10. Participation in officially recognized activities and sports (released as part of a team roster)
11. Height, weight, and photos of athletic team members (released as part of a team roster)
12. Honors/awards received (academic honors/awards released at the end of the term and graduation released at the end of the term or as part of graduation/ commencement events)
13. Degree earned (all degrees earned)
14. Date degree earned (dates of all degrees earned)
15. Directory photos, photographs, and video recordings of students in public or non-classroom settings (photographs from classrooms or class-related activities are NOT directory information)

Under the Family Educational Rights and Privacy Act, students have the right to request directory information not be made public by contacting their registrar's office. Institutions will honor student requests to withhold directory information until the student makes the request in writing to lift the restriction. Institutions shall inform students of any consequences of the decision to withhold directory information, including but not limited to inability to confirm attendance or provide references.

Institutions receive many inquiries for 'directory information' from a variety of sources including, but not limited to, prospective employers, other colleges and universities, graduate schools, licensing agencies, government agencies, news media, parents, friends, and relatives. Institutions have no responsibility to contact students for subsequent permission to release directory information after it is restricted.

If a student provides a preferred name, the institution tries to use it when communicating directly with the student. The preferred name is also used in class/grade rosters, academic requirement reports, email addresses, etc. Preferred name is a supported business practice unless there is a documented business or legal reason to use a student's legal name. When communicating with outside third parties, including parents, the institution generally uses a student's legal name. A student's preferred name shall not be considered directory information in order to protect student privacy.

STUDENT RIGHT TO KNOW

EMAIL

Lake Region State College, recognizing the growing need for timely, efficient and consistent communication with students, has established email as an official means of communications with students. Students are expected to check their official LRSC email on a frequent and consistent basis.

The official LRSC email address can be activated at <http://outlook.com/ndus.edu>. More information regarding student email can be found on the college website. When students forward email from that account to another account, vital information may not be conveyed. Unopened email or having email redirected does not relieve a student of the responsibilities associated with communication sent to their official LRSC email address. The Student Email Policy is found in section 900.09.02 of the Lake Region State College Policy and Procedure Manual. Go to www.lrsc.edu and click My LRSC to log into email.

CAMPUS CONNECTION

The North Dakota University System (NDUS), including Lake Region State College, uses Campus Connection as its online student registration system. Campus Connection is a web based system that allows students to access and manage their information 24 hours a day, 7 days a week. Students add/drop classes, view transcripts, verify enrollment, view financial aid and account summary and conduct many other important transactions. Students can update their personal information including mailing information, e-mail address and phone number. Go to www.lrsc.edu and click My LRSC to log into Campus Connection.

EMERGENCY NOTIFICATIONS

A campus emergency notification system is used to notify students, faculty, and staff of important information in emergency situations. An emergency means a situation that poses an immediate threat to the health or safety of someone at LRSC or community or that significantly disrupts LRSC programs and activities, such as school closing. In the event of a threat, alerts will be sent directly to the student via voicemail, email and/or text message. All registered students are automatically enrolled, but it is important to keep your contact information updated in Campus Connection.

DISABILITY SUPPORT SERVICES

LRSC affirms and recognizes its commitment to nondiscrimination on the basis of disability and its intention to comply with all laws prohibiting such discrimination including Section 504 of the Rehabilitation Act of 1973, and Title II of the Americans with Disabilities Act of 1990.

Lake Region State College provides academic support services to eligible students with disabilities, promotes student development, and serves as a resource for disability awareness and accommodations.

Lake Region State College defines a disability as a professionally verified condition which substantially limits a major life activity (Section 504, ADA). This includes, but may not be limited to cognitive disabilities, motor disabilities, psychiatric disabilities, speech impairments, hearing impairments, and visual impairments.

To obtain disability services, a student must identify himself/herself to the Office of Disability Support Services located in the in room 14 across from student services. (Jessica Dimitch- 701-662-1546 or Jessica.l.Dimitch@lrsc.edu), and provide current professional documentation of his/her specific disability. The Disability Support Services Coordinator determines the appropriate accommodations for each individual student and issues a notice to them with the specified accommodations. The student, who is eligible for disability accommodations, has the responsibility to meet with his/her instructors and provide them with the notice. Students utilizing support services must observe the same college policies and academic regulations required of all students.

 - b. This policy will be displayed on the LRSC website and in the Student Handbook.
- 6) Grievance Procedures. Lake Region State College has adopted and published grievance procedures that provide for the prompt and equitable resolution of student and employee complaints alleging sexual harassment or sex discrimination, and a grievance process that complies with this policy. These grievance procedures shall only apply to sex discrimination and sexual harassment occurring within the United States.
 - a. Lake Region State College shall notify applicants for admission and employment, students, and employees of the Lake Region State College's grievance procedures and grievance process, including, but not limited to,

how to report or file a complaint of sex discrimination, how to report or file a formal complaint of sexual harassment, and how Lake Region State College will respond.

- 7) Method of Reporting Sexual Harassment. Any person may report sex discrimination, including sexual harassment (whether or not the person making the report is the victim of the alleged sexual harassment or sex discrimination). Such report may be made in person, by mail, by telephone, or by email, using the Title IX Coordinator's contact information or any other means which results in the Title IX Coordinator receiving the report, regardless of the time of day.
- 8) Equitable Treatment. At all times, Lake Region State College will treat complainants and respondents equitably by following a grievance process which complies with this policy before the imposition of disciplinary sanctions, and by providing remedies to a complainant if a respondent is found to be responsible for sexual harassment.
- 9) Pre-Grievance Process.
 - a. Timing. This grievance process shall be carried out using reasonably prompt time frames, including time frames for filing and resolving appeals, and for informal resolution processes if offered. Notwithstanding, temporary delays or extensions of the time frames must be offered for good cause, with written notice to the parties setting forth the cause for the action.
 - i. Good cause. May include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for accommodations for language or disability.
 - b. Actual Knowledge of Sexual Harassment. With or without the filing of a formal complaint, once Lake Region State College has actual knowledge of sexual harassment within its educational program or activity in the United States, Lake Region State College must respond promptly and without deliberate indifference pursuant to this policy and any applicable policies.
 - i. Once Lake Region State College has actual knowledge of sexual harassment, the Title IX Coordinator or designee must contact the complainant and:
 - a. Discuss the availability of supportive measures.
 - b. Consider the complainant's wishes regarding supportive measures.
 - c. Inform the complainant that supportive measures are available with or without the filing of a formal complaint; and
 - d. Explain the process of filing a formal complaint.
 - ii. No disciplinary sanctions or other actions which are not supportive measures may be imposed against a respondent prior to the conclusion of the grievance process.
 - c. Supportive Measures. Lake Region State College may offer the complainant supportive measures designed to restore or preserve equal access to the education program or activity without unreasonably

burdening the respondent, including measures designed to protect the health and safety of both parties or the educational environment, or to deter further sexual harassment.

- i. Examples of Permissible Supportive Measures. Lake Region State College must tailor any supportive measures to the parties' situations. Some possible supportive measures include, but are not limited to:
 - a. Counseling;
 - b. Extensions of deadlines or other course-related adjustments;
 - c. Modifications of work or class schedules;
 - d. Campus escort services;
 - e. Mutual restrictions on contact between the parties;

 - g. Leaves of absence; and
 - h. Increased security or monitoring of certain areas of campus.
 - ii. Lake Region State College must maintain confidentiality with respect to supportive measures unless disclosure is required to implement the supportive measures.
 - iii. The Title IX Coordinator shall coordinate the effective implementation of supportive measures.
 - iv. Supportive measures may not restrict any party's rights under the United States Constitution.
- d. Emergency Removal. Lake Region State College may remove a respondent from the education program or activity on an emergency basis, provided that the Lake Region State College determines, based on an individualized safety and risk analysis, that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal.
- i. Lake Region State College must provide the respondent with notice and an opportunity to challenge the decision immediately following the removal.
- e. Administrative Leave. Lake Region State College may place a non-student employee respondent on administrative leave during the tendency of a grievance process.
- 10) Grievance Process.
- a. Formal Complaint and Notice of Allegations.
 - i. Once a formal complaint is received by Lake Region State College, they must provide the following written notice to the known parties:
 - a. Notice of the grievance process, including any informal resolution process.
 - b. Notice of the allegations of sexual harassment, including:

- including, but not limited to, the names of the parties, the conduct allegedly constituting sexual harassment, and the date and location of the alleged conduct.
 - c. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process.
 - d. A statement that the parties may have an advisor of their choice, who may be an attorney, and may inspect and review evidence. The statement should also indicate that if the party does not have an advisor of choice, Lake Region State College will appoint an advisor to assist with cross-examination for the live hearing.
 - e. Notice of any provisions in Lake Region State College's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.
 - ii. If during the course of the grievance process, additional allegations are added to the investigation which were not included in the initial notice, Lake Region State College must provide notice of the additional allegations to the parties.
- b. Advisors.
- i. Parties to a grievance proceeding must be afforded the opportunity to select the advisor of their choice to assist them during the proceeding, including during the live hearing.
 - ii. If a party does not choose an advisor, Lake Region State College shall provide the party with an advisor. At minimum, Lake Region State College shall provide an advisor to conduct the party's cross-examination at the hearing. However, nothing in this policy or the Title IX regulations should be read to prohibit Lake Region State College to provide an advisor for the full duration of the grievance process, provided that the parties are treated equally as to timing insofar as Lake Region State College appoints advisors for both parties.
 - iii. Lake Region State College is not required to provide attorneys to parties to act as advisors, but appointed advisors should be provided with access to appropriate training to ensure an understanding of the grievance process, though the same training provided to Title IX Coordinators, decision-makers, and investigators is not required.
 - iv. Lake Region State College is not required to attempt to create equality of advisors between the parties, particularly where one party selects an outside advisor, but should endeavor to seek parity of advisors where Lake Region State College provides

advisors to both parties.

- a. Member Roles. Lake Region State College has trained Title IX members to serve in the following roles, at the direction of the Title IX Coordinator:
 - i. To provide appropriate intake of and initial guidance pertaining to complaints
 - ii. To act as an advisor to the parties
 - iii. To investigate complaints
 - iv. To serve as a hearing facilitator
 - v. To serve as a decision-maker regarding the complaint
 - vi. To serve on an appeal panel
- b. Investigation.
 - i. Lake Region State College is required to investigate every filed formal complaint unless the complaint is subject to dismissal, below.
 - ii. At all times, the burden of proof and the burden of gathering evidence sufficient to make a determination regarding responsibility rests on Lake Region State College, and they may not seek to shift that burden to the parties.
 - a. Notwithstanding, Lake Region State College may not restrict the parties' ability to discuss the allegations or to gather or present relevant evidence.
 - iii. At all times, Lake Region State College shall observe a presumption that respondent is not responsible for the alleged conduct until and unless there is a determination of responsibility at the conclusion of the grievance process.
 - iv. Lake Region State College may not access, consider, disclose, or otherwise use a party's medical records made or maintained in connection with the provision of treatment to the party, unless voluntary, written consent to do so is provided by the party (or the party's parent, if the party is not eligible to provide consent).
 - v. Lake Region State College may not require, allow, rely upon, or otherwise use evidence that constitutes, or questions that seek disclosure of, information protected under a legally recognized privilege, unless that privilege is waived.
 - vi. Lake Region State College must provide to the parties written notice of the date, time, location, participation, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare.
 - vii. The parties must be afforded an equal opportunity to have others present during any grievance proceeding, including their advisor, though Lake Region State College may establish restrictions regarding the extent to which the advisor may participate in the proceedings, so long as the restrictions apply equally to both parties and comply with this policy.
 - viii. Both parties must have an equal opportunity to inspect and review any evidence obtained as part of the investigation

related to the allegations raised in a formal complaint, including any evidence upon which Lake Region State College does not intend to rely in reaching a determination of responsibility and any exculpatory or exculpatory evidence, from whatever source.

- ix. At least 10 days prior to the preparation of the investigative report, Lake Region State College must provide each party and the party’s advisor the evidence obtained in the investigation in an electronic format or hard copy. The parties may submit a written response to the evidence, which the investigator shall consider prior to completion of the investigative report.
 - x. At the conclusion of the investigation, the investigator must create an investigative report that fairly summarizes the relevant evidence. At least 10 days prior to the hearing, the investigator must send a copy of the investigative report to each party and the party’s advisor, if any, for review and written response.
- c. Dismissal.
- i. Mandatory Dismissal.
 - a. Lake Region State College must dismiss the formal complaint if, at any time during the investigation or hearing:
 - ii. The conduct alleged would not constitute sexual harassment as defined in this policy even if proved;
 - iii. The conduct alleged did not occur in the education program or activity; or;
 - iv. The conduct alleged did not occur against a person in the United States.
 - ii. Permissive Dismissal.
 - a. Lake Region State College may dismiss the formal complaint if, at any time during the investigation or hearing:
 - A complainant notifies the Title IX Coordinator, in writing, that the complainant would like to the withdraw the formal complaint or any allegations contained in the formal complaint;
 - The respondent is no longer enrolled or employed by Lake Region State College; or
 - Specific circumstances prevent Lake Region State College from gathering evidence sufficient to reach a determination as to the formal complaint or allegations in the formal complaint.
 - b. In the event that a formal complaint is

permissively dismissed, Lake Region State College should consult with its legal counsel prior to taking action under another provision of its code of conduct to avoid taking actions constituting retaliation.

- iii. Notice of Dismissal. Upon a dismissal pursuant to this section, Lake Region State College must promptly send written notice of the dismissal and reasons therefore to both parties simultaneously.
- f. Consolidation of Formal Complaints. Lake Region State College may consolidate formal complaints against more than one respondent, by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances.
- g. Live Hearing.
 - i. The grievance process must provide for a live hearing after the completion of the investigative report. All evidence obtained by the investigator as part of the investigative process must be made available to the parties and the decision-maker at the live hearing.
 - ii. The live hearing will be presided over by the decision-maker, who will not be the investigator or the Title IX Coordinator.
 - a. The decision-maker may be one individual or more than one individual as set by Lake Region State College.
 - iii. At the request of either party, the hearing must be conducted with the parties located in separate rooms with technology enabling the decision-maker and parties to simultaneously see and hear the party or witness answering questions. Hearings may be conducted with all parties physically present in the same geographic location, or, any parties, witnesses, and other participants may appear at the live hearing virtually, so long as the participants are able to simultaneously see and hear each other.
 - iv. At the live hearing, the decision-maker must permit each party's advisor to ask the other party and any witnesses all relevant questions and follow-up questions, including those questioning credibility. This cross-examination must be conducted directly (the questions may not be asked by the decision-maker), orally, and in real time by the party's advisor and never by a party personally.
 - a. Prior to a party or witness answering a question, the decision-maker must rule on the relevance of the question and explain any decision to exclude a question as not relevant.
 - b. Decision-makers may request, but may not

- require, that questions by the parties be submitted in advance, to permit the decision-maker to rule on the relevance of questions.
 - C. Lake Region State College may limit the extent to which the party's advisor may participate in the hearing by Lake Region State College.
- V. Rape Shield. Questions and evidence about the complainant's sexual predisposition or sexual history are not relevant, unless such questions are offered to prove that someone other than the respondent committed the alleged conduct, or regard specific incidents of the prior sexual behavior with respect to the respondent, and are offered to prove consent.
- vi. Cross-Examination. If a party or witness does not submit to cross-examination at the live hearing, the decision-maker must not rely on any statement of that party or witness in reaching a determination regarding responsibility. Decision-makers may not draw an inference about the determination regarding responsibility based solely on a party's or witness's absence or refusal to answer cross-examination or other questions. There are no exceptions to this exclusion as there are in legal proceedings.
- vii. Hearing Decorum. Decision-makers may enforce rules to ensure hearing decorum, such as requiring respectful treatment, specifying any objection process, governing timing of hearing and length of breaks, etc.
- viii. Lake Region State College must create an audio or audiovisual recording, or transcript, of any live hearing and make it available to the parties for inspection and review.
- a. Determination Regarding Responsibility.
 - i. Standard of Evidence. All decisions in grievance processes under Title IX shall require a determination of responsibility based on the preponderance of the evidence.
 - ii. After the conclusion of the live hearing, the decision-maker must issue a written determination regarding responsibility, which must include:
 - a. Identification of the allegations potentially constituting sexual harassment;
 - b. Description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather evidence, and hearings held;
 - c. Findings of fact supporting the determination;
 - d. Conclusions regarding the application of the Lake Region State College's code of conduct to the facts;

- e. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions to be imposed on the respondent, and whether remedies will be provided to the complainant; and
- f. The procedures, timelines, and permissible bases for the complainant and respondent to appeal.
- iii. The written determination must be provided to the parties simultaneously. The determination regarding responsibility becomes final either on the date that notice of the result of any appeal is provided to the parties, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.
- iv. The Title IX Coordinator shall be responsible to implement any remedies provided by the written determination.

Disciplinary Sanctions. Disciplinary sanctions imposed after the conclusion of the grievance process shall be assessed pursuant to the Lake Region State College's code of conduct, student handbook, employee handbook, or similar document which sets possible disciplinary sanctions for violations of Title IX or code of conduct, and shall be proportional to the determination of responsibility.

12) **Remedies.** Remedies offered after the conclusion of the grievance process on a finding of responsibility must be designed to restore or preserve equal access to the education program or activity. Remedies need not be non-disciplinary or non-punitive and need not avoid burdening the respondent.

13) **Appeals.**

- a. Both parties must be offered the opportunity to appeal from a determination regarding responsibility or from the dismissal of a formal complaint (or any allegations within the formal complaint). The following may form the basis for an appeal:
 - i. Procedural irregularity that affected the outcome of the grievance process.
 - ii. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made that could have affected the outcome of the matter; or
 - iii. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or for or against the individual complainant or respondent, that affected the outcome of the grievance process.
 - iv. Other basis set forth in the campus-level processes, but which must be offered equally to both parties (for example, an appeal based on the severity of the sanctions).
- b. Upon filing of an appeal, Lake Region State College must:

- i. Notify the non-appealing party in writing when an appeal is filed and implement appeal procedures equally for both parties.
 - ii. Ensure that the appeal's decision-maker is not the same person as the decision-maker that reached the determination regarding responsibility or dismissal, the investigator, or the Title IX Coordinator.
 - iii. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome.
 - iv. Issue a written decision describing the result of the appeal and the rationale for the result; and
 - v. Provide the written decision simultaneously to both parties.
 - c. In the event that a disciplinary sanction of suspension or expulsion is imposed by the decision-maker, Lake Region State College shall provide a method of reviewing an appeal from a determination regarding responsibility or dismissal for a period of at least one year following the original decision. Lake Region State College may set a shorter deadline for appeals from lesser discipline or for appeals filed by the complainant.
- 14) Informal Resolution. Lake Region State College may not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, a waiver of the right to an investigation and adjudication of formal complaints, and may not require the parties to participate in an informal resolution process. Similarly, Lake Region State College may not offer an informal resolution process unless a formal complaint is filed. Notwithstanding, at any time before the written determination is issued, Lake Region State College may facilitate an informal resolution process that does not involve a full investigation and adjudication, so long as Lake Region State College:
- a. Provides the parties a written notice disclosing the allegations, the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint, and any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;
 - b. Obtains the parties' voluntary, written consent to the informal resolution process; and
 - c. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.
- 15) Amnesty for Complainants and Witnesses. Lake Region State College community encourages the reporting of misconduct and crimes by complainants and witnesses. It is in the best interests of Lake Region State College community that complainants

choose to report misconduct to Lake Region State College officials, that witnesses come forward to share what they know, and that all parties be forthcoming during the process.

To encourage reporting and participation in the process, Lake Region State College will grant amnesty from minor policy violations – such as underage consumption of alcohol or the use of illicit drugs – related to the incident to complainants and witnesses.

Amnesty does not apply to more serious allegations such as physical abuse of another or illicit drug distribution. The decision not to offer amnesty to a respondent is not based on gender, but on the fact that collateral misconduct is typically addressed for all students within a progressive discipline system, and the rationale for amnesty, the incentive to report serious misconduct, is rarely applicable to the respondent.

- 16) Jurisdiction. This policy applies to all education programs and activities of the Lake Region State College, to conduct that takes place on the campus or on property owned or controlled by Lake Region State College, at Lake Region State College-sponsored events, or in buildings owned or controlled by Lake Region State College's recognized student organizations. The respondent must be a member of Lake Region State College's community in order for its policies to apply.

Jurisdiction for off-campus misconduct that deprives someone of access to a Lake Region State College educational program or activity will also be investigated. Lake Region State College may also extend jurisdiction to off-campus and/or to online conduct when the Title IX Coordinator determines that the conduct affects a substantial Lake Region State College interest.

Regardless of where the conduct occurred, Lake Region State College will address Title IX related notice/complaints to determine whether the conduct occurred in the context of its employment or educational program or activity and/or has continuing effects on campus or in an off-campus sponsored program or activity. A substantial Lake Region State College interest includes:

- a. Any action that constitutes a criminal offense as defined by law. This includes, but is not limited to, single or repeat violations of any local, state, or federal law.
- b. Any situation in which it is determined that the respondent poses an immediate threat to the physical health or safety of anyone.
- c. Any situation that significantly impinges upon the rights, property, or achievements of oneself or others or significantly breaches the peace and/or causes social disorder; and/or
- d. Any situation that is detrimental to the educational interests or mission of Lake Region State College.

If the respondent is unknown or is not a member of Lake Region State College

community, the Title IX Coordinator will assist the complainant in identifying appropriate campus and local resources and support options and/or, when criminal conduct is alleged, in contacting local or campus law enforcement if the individual would like to file a police report.

When the respondent is not a member of the Lake Region State College's community, supportive measures, remedies, and resources may be accessible to the complainant by contacting the Title IX Coordinator.

Lake Region State College may take other actions as appropriate to help protect the complainant against third parties, such as barring individuals from Lake Region State College property and/or events.

When the respondent is enrolled in or employed by another NDUS institution, the Title IX Coordinator will assist the complainant with the reporting process at that institution.

17) Training.

- a. All persons involved in the grievance process, including, but not necessarily limited to, Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, must receive training on the following areas:
 - i. The definition of sexual harassment;
 - ii. The scope of the education program or activity;
 - iii. How to conduct an investigation and grievance process, including hearings, appeals, and informal resolution processes, as applicable;
 - iv. How to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias.
- b. Additionally, decision-makers must receive training on the following areas:
 - i. Any technology to be used at a live hearing.
 - ii. Issues of relevance or questions and evidence, including when questions about the complainant's sexual predisposition or prior sexual behavior are not relevant.
- c. Investigators must also be trained on issues of relevance to create an investigative report that fairly summarizes relevant evidence.
- d. All materials used to train the foregoing individuals must not rely on sex stereotypes and must promote impartial investigations and adjudications of formal complaints.
- e. All training materials used to train the foregoing individuals must be made available to the public by posting on the Lake Region State College's website.

18) Record keeping.

- a. Lake Region State College shall retain, for a period of seven years, records of:

In each instance, Lake Region State College must document the basis for its response was not deliberately indifferent, and document that it took supportive measures, or, if supportive measures were not provided, an explanation of why such a response was not clearly unreasonable in light of the known circumstances.

19) Retaliation.

- a. No institution or other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by title IX or this part, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this part.
- b. Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by title IX or this part, constitutes retaliation.
- c. The exercise of rights protected under the First Amendment does not constitute retaliation.
- d. Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding does not constitute retaliation, although a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.
- e. Complaints alleging retaliation may be filed pursuant to the grievance procedures for sex discrimination under Title IX.

20) Confidentiality. Notwithstanding Chapter 44-04 of the North Dakota Century code, the identity of any individual who has made a report or complaint of sex discrimination or sexual harassment, any complainant, any respondent,

and any witness, including the conduct of any investigation, hearing or judicial proceeding arising thereunder, shall be confidential.

- 22) Policy Conflicts. Any conflicts between this Policy and any existing SBHE Policy, NDUS Procedure, Lake Region State College policy or procedure, or student or employee handbook shall be resolved in favor of this policy.

A grade of "W" (withdraw) will be recorded on the student's transcript for all courses dropped after the drop with no record deadline. Specific add, drop with no record, drop with record dates for the semester can be found at : www.lrsc.edu/academics

WITHDRAWING FROM COLLEGE

A student considering withdrawal from LRSC is strongly encouraged to contact Student Services prior to finalizing a decision. If a student finds it necessary to withdraw, an official withdrawal must be completed. The last day to withdraw is the last business day of the 12th week of classes. Failure to follow withdrawal procedures may result in failing grades in all courses for the semester.

Student withdrawing from school may be eligible for a refund. Refund dates and rates can be found at: <http://www.lrsc.edu/academics>.

Withdrawing from college may create a bill and affect a student's ability to receive future financial aid. Students should contact the Financial Aid Office for more information.

ATTENDANCE POLICY

LRSC POLICY AND PROCEDURE MANUAL SECTION 800.14

1. Regular attendance is expected of Lake Region State College students. Instructors are responsible to explain the attendance policy and how it applies to their course. When absence from class becomes necessary, it is the responsibility of the student to contact the instructor (prior to the absence whenever possible) to request an

absence. The student is responsible for mastery of material and completion of assignments missed as failure to do so may affect the grade of the student regardless of the reason for the absence. Students who have not attended class during the first seven days of the session may be administratively dropped from the course by the institution. Nonattendance is defined by failure to attend a campus course(s) at least once or failure to participate in an online class(s) or engage in an academically related activity. Logging into an online class is not sufficient, by itself, to demonstrate academic attendance by a student.

2. When the number of hours exceeds double the credit hours for a course by the last day to drop the courses with record, students may be administratively dropped at the request of the instructor. Students who fail to attend and have not been administratively dropped will receive a grade of "F" in the course.
3. A student who has been administratively dropped has the right to appeal the action. An appeal for re-admittance from a student dropped for excessive absences must be presented in written form within five days of the student's notification from the Registrar. The LRSC academic appeals procedure (800.31) will be followed.
4. Some programs may have a more rigorous attendance requirement that is defined in the program's student handbook or policy manual. The attendance policies explained here are applicable to all students, however, failure to be in attendance even when the absence is excused, may affect the student's eligibility to take specific tests, participate in certain aspects of the program, or obtain necessary certification in a specific skill or task.
5. Specific accommodations and excused absence protocol for students who are pregnant or parenting is outlined in the LRSC Pregnant and Parenting Policy 1500.09.01.
6. Excused absences to attend treatment, counseling, or obtain necessary care (including medical care) may also be outlined in an approved accommodation plan by the Disability Services Coordinator pursuant to Policy 800.34
7. A student in any branch of the United States military who is called to active duty has specific rights as they relate to absences (and exceptions to their financial responsibility) under SBHE Policy 510.
8. Academic Leave of Absence: The Vice President for Academic and Student Affairs may grant an academic leave of absence when made aware that a specific hardship exists, provided:
 - a. The student provides, in advance, a written, signed, and dated request that provides the reasons for the request. If exigent circumstances exist that prevent advance notice, the leave of absence may be approved and the written request collected at a later date.
 - b. There is a reasonable expectation that the student will return to school (return may include attending online in lieu of on campus).
 - c. The leave of absence will not involve additional charges by the institution.
 - d. The total number of approved leave of absence days will not exceed 180 in any twelve-month period (the twelve-month period begins on the first day of the student's absence); as such, the student must return to begin progress to satisfy their course/program requirement within this time.

- e. LRSC explains to the student (if they are a Title IV, HEA program loan recipient), prior to repayment terms, including the exhaustion of some or all of the student's grace period.
- f. The institution can identify/verify the hardship and obtain information and guidance from faculty and staff, student support services, the registrar, and/or others with relevant information regarding the student, their current academic progress, and their likelihood of academic success.

CHILDREN IN THE CLASSROOM

Students are not allowed to bring children to class or to leave them unattended in the building. If you observe this situation, contact the Director of Student Services. We can direct the student to a reference of daycare services available.

STUDENT FINANCE

TUITION AND FEES

Tuition and fee rates are established each July for the upcoming academic year. This year's rates can be found at: <http://www.lrsc.edu/admissions-aid/paying-college/tuition-fees>. Some programs or courses may have additional fees.

All tuition, fees, room and board are payable in full on September 6, 2023 for fall semester and January 1, 2024 for spring semester. Registrations will be canceled if payment is not received by the 12th day of classes unless arrangements have been made with the Business Office.

Students can check their bill and make credit card payments in Campus Connection.

LATE FEES

Tuition and fees are due 12 days after a class begins. LRSC will assess a late fee on balances more than 30 days past due. Students with a past due balance will be charged a late fee of 1.75% To avoid a late fee you can:

- a. Pay the balance due on your account prior to the due date.
- b. Keep your payments current for those that are on a approved payment plan. If the payments on your payment plan are late you will be charged a late fee.

REFUND/REPAYMENT PROCEDURES

LRSC POLICY AND PROCEDURE MANUAL SECTION 400.08

1. The Registrar, located in Student Services, enters "Percent of Refund" on individual student accounts when an Add/Drop form is received from the student. The "Percent of Refund" is to be based upon current North Dakota University System guidelines as adopted by Lake Region State College.
2. Add/Drops will be forwarded by the Registrar to the Business Office on a daily basis.
3. The Business Office will review a listing of "student accounts" to be run as needed. A separate listing of student accounts with credit balances" may also be run.
4. The Business Office will review each student account with the Financial Aid Director to determine the extent, if any, of financial aid involvement in the account.
5. The Business Office with the Financial Aid Director will determine:

- a. Amount, if any, to be repaid to Financial Aid.
 - b. Amount, if any, to be refunded to third parties.
 - c. Amount, if any, to be refunded to the student.
6. The Business Office will initiate the appropriate refund and the appropriate billing to students for any required repayments.

STANDARDS OF SATISFACTORY ACADEMIC PROGRESS

In order to receive Federal Financial Aid, students must meet certain academic requirements called Standards of Satisfactory Academic Progress (SAP). LRSC is required by federal and state regulations to determine whether a student is meeting SAP requirements. SAP evaluations apply to all terms, including summer, and to all students (both aid and non-aid recipients).

All credits, including transfer credits, will be used in calculating quantitative components of SAP. Transfer credits are entered on the student's record and will be considered in the attempted credits. SAP requirements are measured in the following three areas:

1. GPA (Qualitative): In order to meet the grade point average requirements, a student will need to have an academic standing consistent with the requirement for graduation from the program at the end of the first, second and third semesters. At the end of the 4th semester of attendance the student **MUST** have a cumulative GPA of C (2.0) or better. Below is a chart that illustrates the academic requirements.

Semester	Minimum Cumulative GPA Required
1st Semester	1.50
2nd Semester	1.60
3rd Semester	1.75
4th Semester	2.00

2. Credits Attempted (Quantitative): All students must complete two-thirds (66.67%) of the credits they attempt. This percentage will be calculated cumulatively each semester. The percentage is determined by dividing the total number of successfully completed credits by the total number of credits the student was registered for on the LRSC FA Census Date. The cumulative credits calculations include all credits attempted even if they do not pertain to the current degree.
3. Maximum Time Frame (Quantitative): All students must complete their declared program within 150% of the published length of the program. A student who has attempted 140% of their program credits will be receive a letter advising them they are reaching the maximum credits. i.e., if the program of study requires 60 credits to graduate then 90 is the maximum number of attempted credits allowed for a program. When the student has attempted 140% or 84 credits they would receive a warning notice. Students who have attempted 150% of their program credits will be suspended from financial aid and will be notified by letter.

Financial Aid Warning: Financial Aid Warning status is assigned to a student who fails to meet one or more of the SAP measures indicated above at the conclusion of the semester. A student assigned a Financial Aid Warning will be notified in writing. The student may continue to receive financial aid for one subsequent semester under this status despite the determination that the student is not making SAP.

Financial Aid Disqualification: Financial Aid Disqualification status is assigned to a student

who fails to make SAP or does not fulfill the requirements set forth in his or her academic plan of study when placed on Financial Aid Probation. A student who is placed on Financial Aid Suspension may only receive financial aid if the student reestablishes eligibility by meeting the standards set forth in this policy.

Financial Aid Probation: Financial Aid Probation status is assigned to a student who has been placed on FA Disqualification and who has successfully appealed and has had eligibility for financial aid reinstated. A student who is placed on Financial Aid Probation may receive financial aid for one subsequent semester. They may be required to meet certain terms and conditions while on financial aid probation, such as taking a reduced course load or taking specific courses. A student assigned a Financial Aid Probation status will be required to submit an Academic Plan of Study, signed by an advisor. At the conclusion of the FA Probation period, the student must either meet the SAP standards or fulfill the requirements specified in the SAP Academic Plan of Study.

As you move into your room, we hope you will familiarize yourself with this information and use it as a resource during the academic year.

We have a strong commitment to student self governance and encourage you to become active in the decision making process in each of your residence halls. Your input is vital in letting us know what is important to you so that we as a staff can carry your requests to the college administration.

- e. If the occupants are not present when the room entry is needed, the occupants will be notified of the time and reason for the entry.

7. Deposit/Damage Policies

Costs are outline in the student handbook for damages that may occur in the Residence Halls. Costs related to damages, cleaning or lost keys will be billed to the resident's account.

8. Resident Behavior: Students must follow the LRSC Student Conduct Policy 800.30.

At the beginning of the semester, residents will fill out the Overnight Visitors Agreement form for their room/suite. When there is not unanimous agreement, the most conservative view will prevail. No overnight guests will be allowed prior to the start of each semester, during the first week of school, the last two weeks of the semester and during breaks (winter and spring break).
- c. Use of Restrooms - When a guest of a resident is not of the same gender, the resident shall escort the guest to the restroom, ensure the restroom is clear of residents, and remain outside the restroom to alert others. All residents shall respect the need for guests to use the restroom and shall afford them the opportunity for privacy.

10. Juveniles in the Residence Halls

For the purpose of this policy, the word "juvenile" means anyone under 18 years of age. Resident hall staff have the authority to request identification of anyone entering the residence halls. No juvenile will be allowed in the residence halls as a guest or visitor unless they are a current student and at least 17 years of age. Juveniles may live in the resident hall under special circumstances approved by the Director of Housing or if they are a child of a student living in the campus apartments. Unauthorized juveniles found in the residence halls will be asked to leave the premises immediately. If the juvenile does not cooperate with the staff, law enforcement will be called to remove the juvenile and contact his/her parents.

Lake Region State College prohibits any alcohol or illegal drugs in the residence halls (See Alcohol and Drug Policy 1500.15).

12. Student Complaints and Students Grievances

See LRSC Policy 800.31.

13. Residence Hall Association (RHA)

- a. The RHA is the residence hall governance association. The RHA meets on a regular basis throughout the academic year. Students are encouraged to participate in this opportunity and to be involved in their own environment and governance. The RHA operates under a constitution, is recognized by the Student Senate and fulfills all requirements of recognized campus organizations.

- 4. The confidential contact may be someone other than the emergency contact listed in Campus Connection. Emergency contact information listed in Campus Connection will be kept separately from the missing student contact information.
- 5. If the missing student is under the age of 18 and is not an emancipated individual, LRSC is required to notify the student’s parent or guardian, in addition to any confidential contact designated, immediately after determining that the student has been missing for 24 hours.
- 6. When a student is missing and the student failed to designate a confidential contact, LRSC may contact any person who they believe may have information about the student’s whereabouts.

- 2. The housing official will confirm that the student is currently enrolled and living in on-campus student housing.
- 3. If confirmed, the housing official shall immediately notify the Director of Housing and Director of Student Services.

RESIDENCE LIFE COMMUNITY STANDARDS, SERVICES AND RULES

MEAL PLAN CHANGES

Board plans can be decreased only during the first two weeks of the semester. Meal plans can be increased at any times during the semester. Contact the Housing Director in writing to make these changes.

CANDLES AND INCENSE

For fire and safety reasons, candles, lanterns and incense are not permitted in the residence hall rooms for any reason.

CARE AND CLEANING OF ROOMS

Students are expected to keep their rooms clean. Students are responsible for taking their trash and recycling to the appropriate bins on a regular basis. Custodians will vacuum floors in common areas such as halls, lobbies and lounges; nonetheless, students are expected to pick up personal belongings when leaving common areas.

COOPERATION AND COMPLIANCE WITH STAFF

Residents and guests are required to comply and cooperate with any college staff

member's reasonable request. Failure to comply or cooperate will be viewed as a violation and result in disciplinary action. Failure for guests to comply or cooperate will lead to their immediate removal from the residence hall.

DAMAGE CONTROL POLICY

Although there is not a great deal of public damage in the residence hall community, unfortunately, it does occur at times. Damages that can be directly attributed to an individual are charged directly to that individual.

When it is impossible to determine who caused the damage in any area considered a "public area," the damage charges are divided among the residents of that area. This will be referred to as "Common Damage." A public area may be a hallway, lounge, lobby, or any other area not contained in a specific residence hall room. Public area damages will be divided up by the floor residents or by the entire residence hall community depending upon its location. Room damages will be equally divided among room residents unless an individual assumes responsibility.

You may also send mail out at the Information Desk. Students who receive large packages that do not fit in the mailbox will be sent an email as to where to pick the package up.

You should use the following format for your address:

First Name Last Name
Room # Hall
1801 College Drive North
Devils Lake ND, 58301

Please do not do a change of address to the college address as the address is a business not a residence and it will not let you change back to residential again. You will still get your mail here without a change of address and it will be easier for you in the long run.

ELECTRICAL APPLIANCES

Air fryers, popcorn poppers, George Foreman grills, pizza ovens, hot plates, toasters, toaster ovens and other heating and cooking devices may not be used in student rooms. Such devices may be used in the kitchen area available in each hall. Microwaves and refrigerators (4.3 Cubic Feet or smaller) are permitted. All electrical appliances must be UL approved. The UL seal must appear on both the appliance and the cord. Coffee pots are not allowed, however you may have a Keurig or Keurig type of device in your room.

ELEVATORS

In Gilliland Hall, an elevator is available for use by students with physical disabilities or temporary mobility problems. Elevator keys can be obtained from the Physical Plan Director.

EMERGENCIES

MEDICAL: In case of medical emergencies, the Devils Lake Police Department will be contacted to determine how seriously ill or injured the student is and will call Emergency Medical Service (EMS) for medical assistance and transportation of the student to the local hospital emergency room when necessary.

MENTAL HEALTH: In the event that a student needs assistance there is help available. Students can call the Director of Counseling at 701-662-1546 during normal business hours or 701-662-4640 after hours. The Devils Lake Crisis Line is also available to those needing assistance at 701-662-5050.

If a student engages in, or threatens to engage in, self-injurious behavior that negatively impacts or is disruptive to the living and learning environment of others, the student may be moved to another room, either temporarily or permanently, or be removed entirely from college housing, and possibly from the college.

ILLNESS

If you are ill, and will be missing class you should contact your instructor who will work with you in getting information and assignments from the instructor.

When you are ill you may request a sick tray form from the RA and a friend may use your ID to bring a meal back to the room for the sick resident.

INSURANCE

The college does not carry insurance covering personal belongings. Students should check their parents' insurance company about possible coverage. You may want to consider purchasing a separate policy. The college does not assume responsibility for theft or casualty losses of students' personal property.

JUVENILES IN THE RESIDENCE HALLS POLICY

For the purpose of this policy, the word "juvenile" means anyone under 18 years of age. Resident hall staff have the authority to request identification of anyone entering the residence halls. No juvenile will be allowed in the residence halls as a guest or visitor unless they are a current student and at least 17 years of age. Juveniles may live in the resident hall under special circumstances approved by the Director of Housing or if they are a child of a student living in the campus apartments. Unauthorized juveniles found in the residence halls will be asked to leave the premises immediately. If the juvenile does not cooperate with the staff, law enforcement will be called to remove the juvenile and contact his/her parents.

KEYS/ADDITIONAL LOCKS

A key is issued to each resident at check-in. Keys provide access to the resident's room and mailbox for each resident. A residents' signature at check-in acknowledges receipt of the key and an assumption of responsibility. Keys must not be loaned or duplicated. If a key is lost, the resident must pay for a lock replacement and new keys. Lost keys should be reported at once to the Housing Director.

It is your responsibility to carry your key at all times. If you do not have it, a staff member (RA) will assist you and will unlock your room.

LAUNDRY ROOMS

Laundry services are provided as part of your room plan.

LAUNDRY DETERGENT

The machines at LRSC are designed to use (HE) High Efficiency laundry detergent. **Powders and pods are not allowed.**

OUTDOOR OUTLETS

During the academic year a limited number of outdoor outlets are available for rent to students. Student must provide their own extension cord and only one vehicle should be plugged into each outlet. The charge for these outlets is \$100 for the winter reservations made at the Business Office.

PETS

To protect the general health and safety of residence hall residents, fish are the only type of pets allowed in any residence hall. Aquariums are limited to 20 gallons in size.

QUIET HOURS

Quiet hours are hours in which the residence halls need to be quiet. One part of living in a community is respecting the rights and wellbeing of other members of the community. The following hours are considered Quiet Hours:

Sunday-Thursday (school nights): 10:00 PM to 8:00 AM

Friday-Saturday (non-school nights): Midnight to 8:00 AM

If a resident is bothering you by being too loud during these times you should first politely ask them to be quiet. If they are rude and they do not follow through with the request then please notify a resident assistant immediately and they will assist with the situation.

ROOM CHANGES

The Housing Director must approve room changes within each residence hall. The responsibility for working out the details of a resident-initiated change rests with the residents requesting the change. No moves will be approved within the first two weeks of each semester.

ROOM REPAIRS AND PEST CONTROL

You can report maintenance related issues with your room to a staff member, and a request will be submitted to fix the issue. Repairs will begin as soon as possible.

To keep pests out of the room, you should take precautions to store food properly and practice reasonable housekeeping chores. All food should be kept in a refrigerator or in airtight containers. All trash, including empty boxes, should be discarded promptly.

ROOMMATE AGREEMENT WORKBOOK

A roommate agreement workbook has been developed to assist residence hall students to live together successfully. Roommates must discuss issues before they become concerns and revisit the agreement if problems arise during the academic year. The workbook helps students develop a cooperative living and learning environment that respects the rights and opinions of each individual in the residence hall community.

On rare occasions, roommate concerns may escalate to a point where people are no longer able to live together. If that situation occurs, all students involved in the disagreements may be required to move to other residence hall rooms.

Generally, most people believe you have to like each other and be friends to be roommates. Although it is nice to be friends with your roommates, it is not required. Many people do not know their roommate before they move in to their residence hall room. It is important to get to know each other and something about each other's interests and habits as quickly as possible. In addition, many would wish to live with someone just like themselves, so they might automatically share everything in common. Instead, we find all kinds of individual differences that present challenges and opportunities. Our challenge is to focus on building what we share in common, instead of seeing differences as a barrier we cannot or do not want to cross. Your resident assistant or multicultural advisor will be happy to assist you in beginning your discussions utilizing the roommate agreement workbook.

SOLICITATION

No soliciting is allowed in the residence halls. This includes representatives of business as well as door to door sales. Please notify your RA or AD if you see an unauthorized solicitor.

STORAGE

Storage is extremely limited in each residence hall room so you may consider adding storage with small bookcases, baskets, a trunk or cartons that stack. Plan to take seasonal clothing home at break periods.

TOBACCO FREE POLICY 400.25

Tobacco use of any kind is not permitted in any residence hall building or on campus. This includes traditional cigarettes, e-cigarettes, Juuls, Loons, chewing tobacco, pipes, cigars, hookahs, water pipes, snus, snuff, or any other forms of tobacco.

VISITORS

Guests – All guests are subject to all LRSC policies including the policies of the residence halls. Residents are responsible for their guests' behaviors and actions.

Overnight Guests – Adult residents may have adult guests stay overnight for up to three consecutive nights as long as it is acceptable with all of the roommates and suitemates. At the beginning of the semester, residents will fill out the Overnight Visitors Agreement form for their room/suite. When there is not unanimous agreement, the most conservative view will prevail. No overnight guests will be allowed prior to the start of each semester, during the first week of school, the last two weeks of the semester and during breaks (winter and spring break).

Use of Restrooms – When a guest of a resident is not of the same gender, the resident shall escort the guest to the restroom, ensure the restroom is clear of residents, and remain outside the restroom to alert others. All residents shall respect the need for guests to use the restroom and shall afford them the opportunity for privacy.

SAFETY AND EMERGENCY PROCEDURES

FIRE ALARM PROCEDURES

When the fire alarm sounds you **MUST** exit your room, shut your door, and leave the building at the nearest safest exit. Once you have left the building please gather at the following locations:

North Residents – Make your way to the North Hall Parking Lot. Once everyone has gathered the staff may choose to relocate you to a more suitable location (Example: Dining Center).

Gilliland and South Residents – Make your way to the Gilliland/South Parking Lot. Once everyone has gathered the staff may choose to relocate you to a more suitable location (Example: Gym).

Once the Devils Lake Fire Department has determined it is safe, residents will be allowed back into the building.

TORNADO/SEVERE WEATHER

The warning signal is steady tone or ringing of bells lasting 3 to 5 minutes. Students living in Gilliland and South should go to the basement next to Central Receiving, and students in North Hall should go to the basement areas next to the kitchen. Once the all clear has been given, you may be allowed to return to your room.

OTHER ADVICE

The best advice that can be offered to any community member is to respect the needs of others and consider the impact your behavior has on others. Take responsibility for yourself and take the initiative to challenge fellow residents who are not demonstrating mutual respect. While the resident assistants will enforce policy, mediate disputes, and provide assistance when needed, the atmosphere of your hall will primary be set by each resident’s attitude and actions. Finally, please remember with every right comes an equal or greater responsibility.

- 1. Do not prop doors open.
- 2. Keep your room locked.
- 3. Support and get to know all of the resident assistants.
- 4. Carry your room keys and student ID with you at all times.

LIVING WITH A ROOMMATE

While living with a new roommate can be exciting for some it can be intimidating for another. Please remember this little advice, your roommate does not know what you are thinking. Open and honest communication is the key to having a healthy roommate experience. Good roommates do not need to be best friends but they do and should always respect each other and sometimes that means saying something which can be hard to say, but showing your roommate respect will make it that much easier to share your thoughts.

Establishing a healthy roommate relationship can been a huge advantage and success for having a great college experience, it can limit stress and make the college experience more enjoyable.

Here are a few questions from the Roommate Agreement Workbook:

- 1. Are you a light or heavy sleeper?
- 2. How often do you study?
- 3. Which items are you willing to share?
- 4. Which items are off limits?

It is important to take the Roommate Agreement Workbook seriously as you never know what could possibly bother you in the future and this will help with that discussion if it is needed.

If you are having issues with your roommate please talk with them. If that is not working please contact your RA and they will help you work through the situation.
