Summer Financial Aid

Federal financial aid is available for summer semester. The summer semester is the final term in the current academic year. Therefore, if you have completed the FAFSA for fall and spring, it also includes the summer. *You must be registered in summer classes before financial aid eligibility will be evaluated.*

If you are starting in the summer, you will want to complete the Free Application for Federal Student Aid (FAFSA) for the current academic year (example 2026-2027 for summer of 2027). You would also want to complete the 2027-2028 FAFSA to continue in the fall.

Students must be in compliance with LRSC's Satisfactory Academic Progress (SAP) policy at the end of Spring semester to receive financial aid for Summer session.

Additional Year-Round Pell Grant

- Year-round Pell Grant allows up to 150% of a scheduled grant award over the course of the full academic year so that, if eligible, you can continue taking classes in the summer and finish your degree faster.
- Eligible students may receive 6 years (12 full-time semesters) of Pell. This limit is referred to as 600% Pell Lifetime Eligibility Usage (LEU). One full-time semester of Pell is 50%. Log in to StudentAid.gov with your username and password, then navigate to "My Aid" to view your LEU.
