Accountability Measures - Licensure and National Exam Pass Rates

The following licensure and exam information is requested. Please include the following:

*Include correct contact name and email for each category

*For each licensure/exam given, include the corresponding numbers for the green columns

*If available, include national pass rate for each licensure/exam.

*If a mean score is used instead of pass rates, if available, please include institution and national mean scores in blue columns.

*The COMMENTS column can be used to provide notes, including the timeframe the tests were administered.

*Currently listed licensure/exams are based on previous years reporting. If additional exams were given by your institution, please include them at the bottom of the list.
