

# Carol McLaurin

## Memorial Scholarship Endowment

Carol McLaurin was a long-time resident of Devils Lake. Daughter of Roderick and Eula (McKenna) Iverson, she moved here with siblings, Carla and Gary, in 1970.

Carol married John A. McLaurin on May 17, 1972, and they made their home in Devils Lake where they raised their three children, John R., Travis, and Missy.

Carol's passions were horses and the outdoors. She would never miss a chance to go riding and loved her annual trip to Wyoming to go horseback riding in the mountains. If she was outdoors and not riding, Carol was busy gardening or enjoying the beauty of nature. She was a member of the Fort Totten Trail Riders and an active and devoted member of the Lake Region Rodeo Association.

Carol's number one priority was always her family. She was the great-

est fan and supporter of her children and grandchildren in their activities and was always there watching and

encouraging them in all their endeavors. She never tired of spending time with and caring for her grandchildren.

Carol began employment with Devils Lake Public Schools in 1990 serving as Transportation Coordinator and Purchasing Clerk. She very much enjoyed working with Devils Lake schools, making sure each and every bus student made it home safely.

To honor Carol, her husband John; their chil-

dren John R., Travis and Missy Abrahamson; and their families, along with many other family members and friends, established this scholarship endowment in her memory. It is awarded annually to graduates of Devils Lake High School who have proven to be exemplary students. ●
