

Tabert Family Endowment

Ed and Georgene Tabert moved to Devils Lake in 1962 when Ed purchased Lake Region Sheet Metal. They had three children, who all grew up in Devils Lake—Dianne, Duane, and Mark.

Dianne married Dennis Lunde, also a Devils Lake native. They have two children, Corey and Amanda. They have spent most of their years in Wisconsin. Corey is a project manager at S&S Tree and Horticultural Specialists in White Bear Lake, Minnesota. Amanda is an occupational therapist in Maplewood, Minnesota.

Duane married Myrna Ulness (pictured above), a Devils Lake native and an LRCC alumni. Their two daughters, Betsey and Casey, both graduated from LRCC. Betsey is an elementary teacher in Devils Lake. Casey is an

architect in Duluth, Minnesota.

Mark married Eileen Foughty (below). Their four children—Molly, Eric, Katey, and Abbey—all attended LRCC. Molly is a special education teacher in Oregon. Eric is a project manager for a commercial HVAC company in Oregon. Katey is a quality engineer for a company in Utah. Abbey is a real estate broker in Washington. Eileen

and Mark now reside in Oregon.

Duane and Mark owned and operated Lake Region Sheet Metal and Depot Stor-All for many years. This endowment was established by the family to provide scholarships to exemplary students attending Lake Region State College.

“Giving back to this community is important to all of us.” ●
