The OPE Campus Security Statistics website is brought to you by the Office of Postsecondary Education of the U.S. Department of Education. It was authorized by Congress with the 1998 amendment to the Higher Education Act of 1965 (HEA) to help potential college students and their parents research criminal offenses on college campuses. The Department of Education is committed to assisting schools in providing students with a safe environment in which to learn and to keep parents and students well informed about campus security. Campus crime statistics are published annually in a report available in the Student Services Office and in a public access file on the campus internet.

**DRUG FREE WORKPLACE**

All North Dakota University System institutions, officers and employees shall comply with the Drug Free Workplace Act of 1988. The chancellor and institutions shall adopt and enforce policies and procedures implementing that Act and this policy.
COMMITMENT TO DIVERSITY

The campus community consists of students, faculty, staff, and administrators and it is our belief that all community members have a responsibility, individually and collectively, to create an environment that is respectful, supportive, and inclusive of all people. As the demographics of our community continues to change, all community members must share in the commitment to provide equal opportunity for all individuals regardless of race, religion, age, color, sex, disability, sexual orientation, gender identity, genetics, national origin, marital status, political belief or affiliation, and economic or perceived social status.

We acknowledge that our society carries historical and divisive biases based on race, religion, age, color, sex, disability, sexual orientation, gender identity, genetics, national origin, marital status, political belief or affiliation, and economic or perceived social status. Therefore, we will make a concerted effort to change attitudes towards and make accommodations for people who come to us from various cultures, different ages, and differing abilities. We also seek to promote awareness through education and constructive strategies for resolving conflict.

Diversity enriches the ability of Lake Region State College to accomplish its academic mission by broadening and deepening the educational experience through interactions of students and faculty from multiple backgrounds and perspectives. GAINFUL EMPLOYMENT DISCLOSURES

The US Department of Education through the Higher Education Opportunity Act of 2008 requires all institutions to report information on certificate programs that prepares students for gainful employment in a recognized profession. Moreover, institutions must also disclose to these prospective students information about their gainful employment programs. Important information about the educational debt, earnings, and completion rates of student who attended Lake Region State College can be found at www.lrsc.edu/academics/gainful-employment.

EMAIL

Lake Region State College, recognizing the growing need for timely, efficient and consistent communication with students, has established email as an official means of communications with students. Students are expected to check their official LRSC Email on a frequent and consistent basis.

The official LRSC email address can be activated at http://outlook.com/ndus.edu. More information regarding student email can be found on the college website. When students forward email from that account to another account, vital information may not be conveyed. Unopened email or having email redirected does not relieve a student of the responsibilities associated with communication sent to their official LRSC email address.

CAMPUS CONNECTION

The North Dakota University System (NDUS), including Lake Region State College, uses Campus Connection as its online student registration system. Campus Connection is a web based system that allows students to access and manage their information 24 hours a day, 7 days a week. Students add/drop classes, view transcripts, verify enrollment, view financial aid and account summary and conduct many other important transactions. Students can update their personal information including mailing information, e-mail address and phone number. Instructions and how to’s for Campus Connection can be found at www.lrsc.edu/student-life/computer-services.

EMERGENCY NOTIFICATIONS

A campus emergency notification system is used to notify students, faculty, and staff of important information in emergency situations. An “emergency” means a situation that poses an immediate threat to the health or safety of someone at LRSC or community or that significantly disrupts LRSC programs and activities, such as school closing. In case of a campus emergency, a campus emergency notification system will send out a message by telephone or text message.

DISABILITY SUPPORT SERVICES

LRSC affirms and recognizes its commitment to nondiscrimination on the basis of disability and its intention to comply with all laws prohibiting such discrimination including Section 504 of the Rehabilitation Act of 1973, and Title II of the Americans with Disabilities Act of 1990.

Lake Region State College provides academic support services to eligible students with disabilities, promotes student development, and serves as a resource for disability awareness and accommodations.
Lake Region State College defines a disability as a professionally verified condition which substantially limits a major life activity (Section 504, ADA). This includes, but may not be limited to cognitive disabilities, motor disabilities, psychiatric disabilities, speech impairments, hearing impairments, and visual impairments.

To obtain disability services, a student must identify himself/herself to the Office of Disability Support Services located in the TRiO/PowerSkills office (701-662-1642), and provide current professional documentation of his/her specific disability. The Disability Support Services Coordinator determines the appropriate accommodations for each individual student and issues a notice to them with the specified accommodations. The student, who is eligible for disability accommodations, has the responsibility to meet with his/her instructors and provide them with the notice. Students utilizing support services must observe the same college policies and academic regulations required of all students.

TOBACCO FREE CAMPUS
LRSC POLICY AND PROCEDURE MANUAL SECTION 400.25

Lake Region State College provides an atmosphere conducive to physical and mental well-being. Based on a fact shared in 2006, the U.S. Surgeon General’s Report, there is no safe level of exposure to secondhand smoke. Inhaling secondhand smoke even for a short time can be harmful and set processes in motion such as cancer, heart disease, or respiratory conditions. To support this atmosphere, LRSC is a Tobacco Free Campus. This policy applies to all employees, students, visitors and contractors. The policy also applies to external individuals or companies renting space with LRSC and should be reflected in all agreements/contracts with such individuals or companies.

For purpose of this policy, tobacco use includes the possession of any lighted tobacco product or the use of any oral tobacco product.

Smoking and the use of chewing tobacco are prohibited anywhere in LRSC buildings, on LRSC property and/or LRSC rented property by employees, students and visitors.

Information regarding a tobacco cessation program or other options are available through the NDPERS Wellness Programs website: http://www.nd.gov/ndpers/quit-smoking.html

Information regarding tobacco prevention is available through the North Dakota Department of Health and the Lake Region Tobacco Free Coalition websites:

http://www.ndhealth.gov/tobacco
http://www.breathend.com/publichealthunits/lake-region-district-health-unit

Responsibility/Enforcement: Supervisors are responsible for ensuring that employees, students, visitors, and where applicable, contractors are made aware of this policy and that they comply with its requirements. Non-compliance with this policy may result in disciplinary action being taken through normal disciplinary procedures.

For Students, formal disciplinary procedures will go through the Student Services Office. Such actions may include verbal reprimands, written reprimands and official citations. Students who violate the college Tobacco Free policy will be subject to the following processes and sanctions:

01. A college official, faculty member or student who observes a student who is in violation of the Tobacco Free policy (seen smoking or chewing/disposing of tobacco on campus property) should report that violation to the Director of Student Services. The following sequence of sanctions and actions will generally be taken as a result of such a report:
a. A first reported violation of the Tobacco Policy will result in a personal consultation with the student by the Director of Student Services, informing the student of the LRSC Tobacco Policy. Educational and Quit Smoking information will be shared with the student at that time.

b. If the same student is reported a second time, the Director of Student Services will issue a formal, written reprimand should the information indicate a disregard for the Tobacco policy. The personal consultation will also include a referral to the Ramsey County Tobacco Prevention Specialist for possible tobacco cessation counseling and further education.

c. A third report of violation of the LRSC Tobacco Policy will result in a written reprimand and a fine, not to exceed $75.

d. Any additional reported violations will result in a formal disciplinary process under the provisions of the LRSC Code of Student Conduct and may include sanctions ranging from additional fines, conduct probation, and suspension.

The tobacco-free policy may not apply to specific activities used in connection with the practice of cultural activities by American Indians that are in accordance with the American Indian Religious Freedom Act, 42 U.S.C. 1996 and 1996a. All ceremonial use exceptions must be approved in advance by the President of Lake Region State College or designee.

All credits, including transfer credits, will be used in calculating quantitative components of SAP. Transfer credits are entered on the student’s record and will be considered in the attempted credits. SAP requirements are measured in the following three areas:

01. GPA (Qualitative): In order to meet the grade point average requirements, a student will need to have an academic standing consistent with the requirement for graduation from the program at the end of the first, second and third semesters. At the end of the 4th semester of attendance the student MUST have a cumulative GPA of C (2.0) or better. Below is a chart that illustrates the academic requirements.

<table>
<thead>
<tr>
<th>Semester</th>
<th>Minimum Cumulative GPA Required</th>
</tr>
</thead>
<tbody>
<tr>
<td>1st Semester</td>
<td>1.50</td>
</tr>
<tr>
<td>2nd Semester</td>
<td>1.60</td>
</tr>
<tr>
<td>3rd Semester</td>
<td>1.75</td>
</tr>
<tr>
<td>4th Semester</td>
<td>2.00</td>
</tr>
</tbody>
</table>

02. Credits Attempted (Quantitative): All students must complete two-thirds (66.67%) of the credits they attempt. This percentage will be calculated cumulatively each semester. The percentage is determined by dividing the total number of successfully completed credits by the total number of credits the student was registered for on the LRSC FA Census Date. The cumulative credits calculations include all credits attempted even if they do not pertain to the current degree.

03. Maximum Time Frame (Quantitative): All students must complete their declared program within 150% of the published length of the program. A student who has attempted 140% of their program credits will receive a letter advising them they are reaching the maximum credits. i.e., if the program of study requires 60 credits to graduate then 90 is the maximum number of attempted credits allowed for a program. When the student has attempted 140% or 84 credits they would receive a warning notice. Students who have attempted 150% of their program credits will be suspended from financial aid and will be notified by letter.

Financial Aid Warning: Financial Aid Warning status is assigned to a student who fails to meet one or more of the SAP measures indicated above at the conclusion of the semester. A student assigned a Financial Aid Warning will be notified in writing. The student may continue to receive financial aid for one subsequent semester under this status despite the determination that the student is not making SAP.

Financial Aid Disqualification: Financial Aid Disqualification status is assigned to a student who fails to make SAP or does not fulfill the requirements set forth in his or her academic plan of study when placed on Financial Aid Probation. A student who is placed on Financial Aid Suspension may only receive financial aid if the student reestabishes eligibility by meeting the standards set forth in this policy.

Financial Aid Probation: Financial Aid Probation status is assigned to a student who has been placed on FA Disqualification and who has successfully appealed and has had eligibility for financial aid reinstated. A student who is placed on Financial Aid Probation may receive financial aid for one subsequent semester. They may be required to meet certain terms and conditions while on financial aid probation, such as taking a reduced course load or taking specific courses. A student assigned a Financial Aid Probation status will be required to submit an Academic Plan of Study, signed by an advisor. At the conclusion of the FA Probation period, the student must either meet the SAP standards or fulfill the requirements specified in the SAP Academic Plan of Study.
RESIDENCE LIFE

MISSION STATEMENT
The mission of Residence Life at Lake Region State College is to create, maintain and support a living-learning environment which facilitates student learning, supports the academic mission of the College, encourages individual student growth, development, responsibility and fosters community.

WELCOME TO THE LRSC RESIDENCE HALLS!
FROM THE HOUSING DIRECTOR
The residence halls provide a unique opportunity to experience a group-living environment designed to promote educational, social and personal growth. If this is your first experience in residence hall life, you may anticipate having to make some adjustments since group living requires respecting the rights and feelings of others. The residence halls offer a wonderful diversity of culture for you to experience and learn during your educational process.

Cooperation and thoughtfulness contribute to a comfortable and attractive living environment for all residents. We have put together this handbook to serve as an introduction and guide for all residence hall students at Lake Region State College. As you move into your room, we hope you will familiarize yourself with this information and use it as a resource during the academic year.

We have a strong commitment to student self governance and encourage you to become active in the decision making process in each of your residence halls. Your input is vital in letting us know what is important to you so that we as a staff can carry your requests to the college administration.

Thank you for choosing to live in the residence halls. This can be a rewarding experience when you become involved and take part in the college experience.

Controlled substances are defined in the Controlled Substances Act of 1971, as amended. RESIDENCE LIFE COMMUNITY STANDARDS, SERVICES AND RULES

BOARD (MEAL) PLAN CHANGES
Board plans can be decreased only during the first two weeks of the semester. Board plans can be increased at any times during the semester. Contact the Housing Director in writing to make these changes.

CANDLES AND INCENSE
For fire and safety reasons, candles, lanterns and incense are not permitted in the residence hall rooms for any reason.

CARE AND CLEANING OF ROOMS

Custodians will vacuum floors in common areas such as halls, lobbies and lounges; nonetheless, students are expected to pick up personal belongings when leaving common areas.

COOPERATION AND COMPLIANCE WITH STAFF
Residents and guests are required to comply and cooperate with any college staff member’s reasonable request. Failure to comply or cooperate will be viewed as a violation and result in disciplinary action. Failure for guests to comply or cooperate will lead to their immediate removal from the residence hall.

DAMAGE CONTROL POLICY
Although there is not a great deal of public damage in the residence hall community, unfortunately, it does occur at times. Damages that can be directly attributed to an individual are charged directly to that individual.
When it is impossible to determine who caused the damage in any area considered a “public area,” the damage charges are divided among the residents of that area. This will be referred to as “Common Damage.” A public area may be a hallway, lounge, lobby, or any other area not contained in a specific residence hall room. Public area damages will be divided up by the floor residents or by the entire residence hall community depending upon its location. Room damages will be equally divided among room residents unless an individual assumes responsibility.

To protect the general health and safety of residence hall residents, fish are the only type of pets allowed in any residence hall. Aquariums are limited to 20 gallons in size.

QUIET HOURS
Quiet hours are hours in which the residence halls need to be quiet. One part of living in a community is respecting the rights and wellbeing of other members of the community. The following hours are considered Quiet Hours:

- **Sunday-Thursday (school nights):10:00 PM to 8:00 AM**
- **Friday-Saturday (non-school nights): Midnight to 8:00 AM**

If a resident is bothering you by being too loud during these times you should first politely ask them to be quiet. If they are rude and they do not follow through with the request then please notify a resident assistant immediately and they will assist with the situation.

ROOM CHANGES
The Housing Director must approve room changes within each residence hall. The responsibility for working out the details of a resident-initiated change rests with the residents requesting the change. No moves will be approved within the first two weeks of each semester.

ROOM REPAIRS AND PEST CONTROL
You can report maintenance related issues with your room to a staff member, and a request will be submitted to fix the issue. Repairs will begin as soon as possible.

To keep pests out of the room, you should take precautions to store food properly and practice reasonable housekeeping chores. All food should be kept in a refrigerator or in airtight containers. All trash, including empty boxes, should be discarded promptly.

ROOMMATE AGREEMENT WORKBOOK
A roommate agreement workbook has been developed to assist residence hall students to live together successfully. Roommates must discuss issues before they become concerns and revisit the agreement if problems arise during the academic year. The workbook helps students develop a cooperative living and learning environment that respects the rights and opinions of each individual in the residence hall community.

On rare occasions, roommate concerns may escalate to a point where people are no longer able to live together. If that situation occurs, all students involved in the disagreements may be required to move to other residence hall rooms.

Generally, most people believe you have to like each other and be friends to be roommates. Although it is nice to be friends with your roommates, it is not required. Many people do not know their roommate before they move in to their residence hall room. It is important to get to know each other and something about each other’s interests and habits as quickly as possible. In addition, many would wish to live with someone just like themselves, so they might automatically share everything in common. Instead, we find all kinds of individual differences that present challenges and opportunities. Our challenge is to focus on building what we share in common, instead of seeing differences as a barrier we cannot or do not want to cross. Your resident assistant or multicultural advisor will be happy to assist you in beginning your discussions utilizing the roommate agreement workbook.
SOLICITATION
No soliciting is allowed in the residence halls. This includes representatives of business as well as door to door sales. Please notify your RA or AD if you see an unauthorized solicitor.

STORAGE
Storage is extremely limited in each residence hall room so you may consider adding storage with small bookcases, baskets, a trunk or cartons that stack. Plan to take seasonal clothing home at break periods.

TELEPHONE SERVICE AND TV SERVICE
Each student room has telephone service (phone and voicemail are provided). On-campus numbers may be reached by dialing “2” plus the last four digits of the number. Local off-campus calls may be reached by dialing “9” and then the seven digit number. The long distance operator can be reached by dialing “9-0.”

Students cannot accept collect calls on their residence hall phone. To use long distance services the student must call collect or use a calling card.

All resident hall rooms are provided with basic digital cable service. Each room is provided with a digital cable reader (box) and the residents are responsible for the condition of the digital cable reader. Each room is provided with the cable box, power cord for cable box, coax cable and a HDMI cable. If a longer cable is needed it is the residents responsibility to provide desired length of HDMI cable. If residents would like to upgrade their cable package they may do so by contacting Midcontinent Cable at 1-800-888-1300. Theft of television cable service (pirating) is illegal under North Dakota Century Code. Violators may be prosecuted.

TOBACCO FREE POLICY 400.25
Tobacco use of any kind is not permitted in any residence hall building or on campus. This includes traditional cigarettes, e-cigarettes, chewing tobacco, pipes, cigars, hookahs, water pipes, snus, snuff, or any other forms of tobacco.

VISITORS
Guests – All guests are subject to all LRSC policies including the policies of the residence halls. Residents are responsible for their guests’ behaviors and actions.

Overnight Guests – Adult residents may have adult guests stay overnight for up to three consecutive nights as long as it is acceptable with all of the roommates and suitemates. At the beginning of the semester, residents will fill out the Overnight Visitors Agreement form for their room/suite. When there is not unanimous agreement, the most conservative view will prevail. No overnight guests will be allowed prior to the start of each semester, during the first week of school, the last two weeks of the semester and during breaks (winter and spring break).

Use of Restrooms – When a guest of a resident is not of the same gender, the resident shall escort the guest to the restroom, ensure the restroom is clear of residents, and remain outside the restroom to alert others. All residents shall respect the need for guests to use the restroom and shall afford them the opportunity for privacy.
SAFETY AND EMERGENCY PROCEDURES

FIRE ALARM PROCEDURES
When the fire alarm sounds you MUST exit your room, shut your door, and leave the building at the nearest safest exit. Once you have left the building please gather at the following locations:

**North Residents** – Make your way to the North Hall Parking Lot. Once everyone has gathered the staff may choose to relocate you to a more suitable location (Example: Dining Center).

**Gilliland and South Residents** – Make your way to the Gilliland/South Parking Lot. Once everyone has gathered the staff may choose to relocate you to a more suitable location (Example: Gym).

Once the Devils Lake Fire Department has determined it is safe, residents will be allowed back into the building.

TORNADO/SEVERE WEATHER
The warning signal is steady tone or ringing of bells lasting 3 to 5 minutes. Students living in Gilliland and South should go to the basement next to Central Receiving, and students in North Hall should go to the basement areas next to the kitchen. Once the all clear has been given, you may be allowed to return your room.

OTHER ADVICE
The best advice that can be offered to any community member is to respect the needs of others and consider the impact your behavior has on others. Take responsibility for yourself and take the initiative to challenge fellow residents who are not demonstrating mutual respect. While the resident assistants will enforce policy, mediate disputes, and provide assistance when needed, the atmosphere of your hall will primarily be set by each resident’s attitude and actions. Finally, please remember with every right comes an equal or greater responsibility.

01. Do not prop doors open.
02. Err on the side of caution and safety.
03. Keep your room locked.
04. Support and get to know all of the resident assistants.
05. Carry your room keys and student ID with you at all times.

LIVING WITH A ROOMMATE
While living with a new roommate can be exciting for some it can be intimidating for another. Please remember this little advice, your roommate does not know what you are thinking. Open and honest communication is the key to having a healthy roommate experience. Good roommates do not need to be best friends but they do and should always respect each other and sometimes that means saying something which can be hard to say, but showing your roommate respect will make it that much easier to share your thoughts.

Establishing a healthy roommate relationship can been a huge advantage and success for having a great college experience, it can limit stress and make the college experience more enjoyable.
Here are a few questions from the Roommate Agreement Workbook:

1. Are you a light or heavy sleeper?
2. How often do you study?
3. Which items are you willing to share?
4. Which items are off limits?

It is important to take the Roommate Agreement Workbook seriously as you never know what could possibly bother you in the future and this will help with that discussion if it is needed.

If you are having issues with your roommate please talk with them. If that is not working please contact your RA and they will help you work through the situation.
