## PEACE OFFICER ACADEMY

The Peace Officer Training certificate may be completed as a stand-alone program or part of the two-year Law Enforcement program. Students who pursue the Associate in Applied Science in Law Enforcement degree generally enroll in the Peace Officer Training Program early in the semester before the course being offered. Students who complete the POTP first can complete the AAS in Law Enforcement either on-campus or online. The Program is an academy-style setting. Students have physical fitness training every morning while classroom hours are held 9-5 Monday through Friday.

The Devils Lake program is the only NDUS location that offers on-campus room and board for POTP students.
