

TRANSFER DEGREES (LIBERAL ARTS)

60 credit AA or AS | 24 credit Certificate

THE PROGRAM

Looking at earning a bachelor's degree? A Certificate in College Studies, an Associate in Arts degree, or an Associate in Science degree is your first step. Earning the first year or two of your bachelor's degree at Lake Region State College saves you money, puts you in close contact with instructors, opens new doors for leadership in our extra- and co-curricular organizations, creates additional scholarship opportunities, and increases your professional and social network.

A TRANSFER-FRIENDLY SYSTEM

Most universities across the country are considered “transfer-friendly” especially within the North Dakota University System (NDUS):

- AA degrees are commonly accepted in place of specific first and second-year core requirements.
- GER - All first and second year (100 & 200 level) general education requirements have common names and numbers throughout the NDUS.
- We want to eliminate the chance of confusion about course equivalence.

ADVISORS/TRiO & PowerSkills

Knowledgeable advisors will help you create a class schedule and choose electives to build strong foundations for upper division coursework and to meet transfer requirements.

TRiO & PowerSkills is **advising, tutoring, and proctoring resources for everyone** and disability services.

TIPS FOR STUDENT SUCCESS

1. SCHEDULE TIME WITH YOUR ADVISOR immediately after term schedules are published to choose courses for upcoming semesters. Your advisor will help you select courses that meet core requirements.

2. SAVE MONEY BY CARRYING A HEAVIER COURSE LOAD. Discuss with your advisor if a heavy course load works for you and your schedule. (Tuition & fees cap at 12 and 16, respectively. Other fees may apply and online courses are not included.)

3. REGISTER AS EARLY AS YOU CAN to get into the courses you want and need.

4. SAVE MONEY BY CARRYING A HEAVIER COURSE LOAD. Discuss with your advisor if a heavy course load works for you and your schedule. (Tuition & fees cap at 12 and 16, respectively. Other fees may apply and online courses are not included.)

CERTIFICATE IN COLLEGE STUDIES

The Certificate in Liberal Arts introduces the foundational skills, knowledge of concepts, and crosscutting skills that are the foundation of a liberal arts education. It provides students the opportunity to earn a credential as they prepare for transfer to a four-year university. The certificate consists of 24 credits of general education coursework with a minimum cumulative GPA of 2.0. Students must complete at least 12 of the 24 credits at LRSC. All courses that are approved for the General Education Requirement Transfer Agreement (GERTA) are eligible toward the certificate.
