TESTIMONIALS

“I chose LRSC because of the size of the campus and the financial benefits I knew I would receive (low cost and scholarship offers). Scholarships are so important because you can always find scholarships that apply to you. It could be as easy as writing your name on a piece of paper! My plans after LRSC are to get a bachelor’s degree and work on starting my own business.”

– Maya Barendt, Business Administration (Management)

“I know without a doubt that I can approach any member of LRSC’s faculty and staff and they are going to do 3 things for me without fail:

1. They’re going to go above and beyond when they help me with my concern.
2. They won’t make me feel silly or dumb for asking my question.
3. Faculty and staff will respond with an energy that relays passion for what they do.

That’s what makes LRSC so great. Thank you for working so hard to make LRSC such a gem and the best place I could have landed. I appreciate all the ways each of you have helped me grow and mature and become who I am today.”

– Samantha Shumway, Nursing

“I chose LRSC as it was very affordable as well as offering an excellent program in accounting and the great baseball program. Scholarships have had a profound impact on me and many students I know. LRSC offers so many good scholarships which have made my life at college more affordable, taking away much of the (financial) stress.”

– Austin McClure, Business Administration (Accounting) & Automotive Technology
